07 TwoInOne cooktop

Miele's TwoInOne cooktop combines advanced induction cooking technology with an integrated downdraft extractor. This allows for unobstructed views, making it ideal for open-plan kitchens where conventional rangehoods may detract from the overall design.

12 Jolly lighting range

in Nau's Jolly lighting range, designed by Kate Stokes, translucent, hand-blown glass is juxtaposed with solid-coloured metal rods and shades to create a balanced material composition. The range's asymmetric, elfin-like form evokes a sense of playfulness and joy.
